Education

Shri Vishnu Engineering College For Women

BTech in CSE (AI&DS)Bhimavaram, India

Aug 2024 - May 2028

CGPA - 9.46

Aditya Junior College

Intermediate Education Kakinada, India

June 2022 - June 2024

Percentage - 98.1%

ZPHS high school

Secondary Education chitrada, India

May 2022

Percentage - 91.8%

Technical Skills

Programming Languages: Java,Python,C, SQL

Web Development: HTML, CSS, JavaScript, React.js, Node.js, Express.js

Core CS Concepts: DSA, Object-Oriented Programming(OOP), DBMS, Operating System, Computer Networks

Development Tools: Git, GitHub, Visual Studio Code

Databases: MongoDB

Professional Skills: Problem Solving, Communication skills, Team Collaboration, Time Management

Experience

Amazon Future Engineer (AFE) Scholar

Jan 2025 – Present

- Selected as an Amazon Future Engineer–Foundation for Excellence (AFE–FFE) Scholar, among 500 students selected from 34,000+ applicants nationwide for academic excellence.
- Completed the AFE Bootcamp focused on Data Structures and Algorithms using Java, strengthening problem-solving and programming skills.
- Receiving mentorship, career guidance, and professional development opportunities through the program.

Projects

Tri Health Predictor 🧠

- **Tools/Framework:** Python, Streamlit, Scikit-learn, Pandas, NumPy
- Developed an AI-powered web application to predict Diabetes, Heart Disease, and Parkinson's Disease using trained machine learning models.
- Built an interactive Streamlit interface with responsive design, custom styling, and intuitive user inputs for real-time disease prediction.
- Integrated trained ML models using Pickle for predictions.

PrepAI 🧠

- **Tools/Framework:** React.js, Node.js, Express.js, MongoDB, Groq AI, JavaScript
- Built an AI-powered career preparation platform with personalized project, learning, and internship recommendations.
- Developed an AI Mock Interview module with resume parsing, AI-generated questions, voice interaction, and AI-based evaluation.
- Integrated Groq AI for interview evaluation, ATS-based resume analysis, personalized feedback, and learning recommendations.

Job Application Tracker 🧠

- **Tools/Framework:** React, JavaScript, HTML, CSS
- Built a platform to manage job applications and interview tracking.
- Implemented CRUD operations and application status monitoring.

Certifications & Participations

- **AFE Bootcamp Completion Certificate** – Amazon Future Engineer May 2025 - Feb 2026
- **Aspire Leaders Program Graduate** – Aspire Institute April 2026
- **TechSprint Hackathon Participant** – Google Developer Groups (GDG) Jan 2026
- **IET Hyderabad LN Hackathon Participant** – VIT-AP University March 2026
- **Pivot 24-Hour Hackathon Participant** Sept 2025

Achievements

- Selected for the Aspire Leaders Program, a competitive global leadership initiative.
- Solved 750+ problems on LeetCode, earning 50 Days and 100 Days, 200 Days, 356 days coding badges.
- Achieved 5* ratings in Problem Solving and Java on HackerRank.
